

Amsterdam

60x120 24"x48" · 120x120 48"x48"

Acudimos a los lugares más recónditos del mundo para tomar la piedra natural y reproducirla en nuestras colecciones de porcelánico.

Amsterdam es precisamente eso, una réplica de la roca italiana Ceppo di Gré pero ligeramente reformulada, gracias a su infinidad de matices y grandes cantos incrustados. En acabado Grey para quienes prefieran la versión más fiel de la piedra; y White, para aquellos que quieran dotar de mayor calma y serenidad al interiorismo.

We have travelled to the four corners of the earth to experience the most beautiful in natural stone and recreate it in our porcelain collections.

With Amsterdam, we have done just that. It is a replica of the Italian Ceppo di Gré stone which has been slightly reformulated, thanks to its infinite nuances and large inlaid edges. It comes in either a Grey finish for those who are looking for a faithful replica; or a White finish, for those in search of greater calm and serenity in their interior.
