EMOZIONI IN SUPERFICIE

# CONFIDENTIAL

02 / 03

ABSOLUTE

UN VIAGGIO IN TRENO - DA PARIGI - E  
SESSANTA MINUTI DI INTERVISTA A QUEL  
GIORNALISTA. FINALMENTE A CASA. UNA  
CASA DOVREBBE ESSERE SOLO  
UNA CASA. **Forse per voi.**  
L'eleganza come un rituale, fra riservatezza  
e mondanità, che porta in rassegna uno sta-  
to dell'essere. QUESTA È LA MIA CASA.

////////////////////////////////////  
////////////////////////////////////

A TRIP ON A TRAIN - FROM PARIS - AND  
A SIXTY-MINUTE INTERVIEW WITH THAT  
JOURNALIST. HOME AT LAST. A HOUSE  
SHOULD BE NOTHING BUT A  
HOUSE. **For you, may-  
be.** Elegance as a ritual, between private  
and worldly pleasures, a showcase for a  
state of being. THIS IS MY HOME.

////////////////////////////////////  
////////////////////////////////////

# WISH

Ho un desiderio. Convivere, interagire, appartenere. Essere e vivere la casa. Vortici di linee e colori, flussi di emozioni che mi avvolgono. RIGORE FORMALE, LO SPAZIO SI SEMPLIFICA CALCANDO UNA GRIGLIA DI LINEE A CONTRASTO CON LA MATERIA VIVA. **Mi siedo. sento il contatto. E sogno.**

////////////////////  
////////////////////

I have a wish. Living together, interacting, belonging. Being and living the house. Whirlwinds of lines and colours, flows of emotions wrapping me up. FORMAL RIGOUR, SPACE IS SIMPLIFIED BY THE INTERSECTING OF LINES AGAINST THE LIVING MATTER. **I sit down, Feel the contact. And dream away.**

Colour reproduction is approximate.

Le tabelle con i dati riferiti ai contenuti per scatole ed ai pesi degli imballi sono aggiornate al momento della stampa del catalogo, pertanto i dati elencati possono subire variazioni.  
The tables with the data referring to box content and packaging weight have been updated at time of printing; the actual data may be slightly different.

## posa // LAYING

Data la particolarità e la ricchezza cromatica della superficie si consiglia di stendere a terra alcune piastrelle prima della posa prelevandole da più scatole per controllare al meglio l'effetto d'insieme.

### Avvertenze per la superficie lappata

Durante la posa ed i lavori di allestimento i pavimenti realizzati con Axolute lappato devono essere accuratamente protetti da tutti quei materiali abrasivi che potrebbero graffiare la superficie.

I particolari effetti di lucentezza irregolare insieme con l'effetto anticato visibile in controluce, sono stati creati per dare al prodotto la plasticità e la bellezza tipiche dei marmi antichi.

Considering the peculiarity and rich chromatic pattern of the surface it is advisable to select a few tiles from several boxes and lay them on the floor before proceeding to the installation in order to test the overall effect.

### Important notice for the honed surface

During installation and preparation works the honed Axolute floors must be carefully protected from any abrasive material that may scratch the surface. The particular irregular shining effect together with the antiqued effect that is visible against the light were created to give the product the plasticity and beauty that are typical of antique effect marble.

## sigillanti coordinati per fughe // COORDINATED GROUT SEALANTS

ABK in collaborazione con Hard Koll presenta una gamma di sigillanti speciali in polvere per fughe, coordinati ai colori AXOLUTE.

ABK, in co-operation with Hard Koll, introduces a new line of special grout powder adhesives, matching perfectly the colors of the AXOLUTE collection.

CODICE SIGILLANTE SEALANT CODE	ABBINAMENTO MATCHING
SI 217 B kromos grigio luce 2-15	IVORY
SI 218 B kromos manhattan 2-15	GREEN
SI 219 B kromos grigio cemento 2-15	BLUE
SI 217 B kromos grigio luce 2-15	BEIGE
SI 243 B kromos beige 2-15	RED
SI 233 B kromos jasmijn 2-15	HONEY
SI 238 B kromos tabacco 2-15	BROWN

### KROMOS

Sigillante professionale ad elevata resistenza, a base di leganti idraulici, quarzo, additivi specifici. Permette di sigillare pavimenti e rivestimenti, per giunti da 2 a 15 mm.

Le caratteristiche di impermeabilità all'acqua battente e idrorepellenza, garantiscono un'elevata resistenza alle aggressioni chimiche, abrasioni ed efflorescenze. Favorisce inoltre un'elevata capacità di resistenza allo sporco. È calpestabile dopo 3 ore.

### NATURE OF THE PRODUCT

Professional and highly resistant sealant mainly consisting of hydraulic binders, quartz and specific additives.

### MAIN FEATURES

Rainproof, Water-repellent, Resistant to chemical aggressions, Highly resistant to filth, Resistant to abrasions and efflorescences  
FIELDS OF USE

Wall and floor sealant for 2-15 mm gaps.

### RECOMMENDATIONS

It is able to withstand light foot traffic 3 hours after installation.
